

	I think Greenway Nursery is a safe environment	The current 'Well Child Only' policy is well enforced	The current 'Well Child Only' policy is effective in reducing the risk of Coronavirus in the setting	The current 'Well Child Only' policy is necessary	The current 'Well Child Only' policy makes my life difficult	On balance, I think the current 'Well Child Only' policy is bad for the children	The nursery should take whatever measures they deem necessary to ensure the safety of the children and staff	I have confidence in the decisions made about the nursery	I would like to see all additional measures lifted as soon as it is legal to do so	GNRC communicates Coronavirus information effectively
